

General Project Consultation & Precept Increase Survey

MALTON TOWN COUNCIL

The Proposed Repair and Refurbishment of the New Malton Cemetery Chapels for Community Use

INTRODUCTION

Malton Cemetery, owned and managed by Malton Town Council, has served the community for hundreds of years. Central to the Cemetery are two iconic buildings; The Cemetery Chapel and Chapel of Rest. The Cemetery Chapel was regularly used for private memorial services on site but closed due to extensive structural repairs needed to the property. As the buildings are listed, the Town Council has a legal responsibility to maintain these buildings, any repairs undertaken have to reflect and respect the ecclesiastical listed status of the buildings and, as such, escalates costs associated with the repairs. This is essential work that we would like to take forward so we can bring the buildings back into community use, but we do require a loan, and in seeking such, require the support from yourselves. The loan would cost approximately £2.20 per year which would be taken into account as from next year's precept. Please help us by completing and returning the form. Thank you.

SURVEY

- Are you in FAVOUR of the parish council going ahead with the repair and refurbishment of the New Malton Cemetery Chapels for community use?
YES / NO
- Are you in FAVOUR of the parish council going ahead with the repair and refurbishment of the New Malton Cemetery Chapels for community use, if it includes a precept increase of 2.59% (equivalent to £2.20 per household a year) which will help to pay off the Public Works Loan Board loan? YES / NO
