ITEMS RAISED BY PARISHIONERS

The issue of unacceptable un-notified and badly coordinated digging up of footpaths and roads was raised. It was **agreed** that the Town Clerk would contact NYC and Councillor Duncan to stress the need for better notice and awareness to the public, the Town Council and Malton's County Councillor when work, often messy and disruptive, is to be undertaken. Also the need for Cllr Duncan to accept the responsibility of his role with North Yorkshire and provide a better service.
