

Key Issues	Details	Planning/Non-Planning	Plan Response	Evidence	Comments
Communication of what is available/taking place in the area to include a Booking system for all Sports & Leisure facilities	One main website with linkages to other websites, social media – Town Councils, Malton CIC, community and leisure organisations, voluntary organisations etc. Joined up approach. Wider publication of events locally and beyond. Include a one stop shop for all sports and leisure facilities available in both Malton & Norton eg Malton Sports Centre, Norton Swimming Pool/Fitness Centre, Norton College, Malton School - showcasing what is available, prices and booking facility through linkages to websites.	Non-Planning			It is estimated that such a system is likely to cost approx. £1,500 for initial development plus an annual charge for hosting and then an hourly rate for any additional work.
Independent Film Society	Use of Malton School for showing independent films as well as mainstream blockbusters.	Non-Planning	Malton School has converted 2/3 of the old school gym		
Review library services within Malton and Norton	Review of services provided by NYCC and by community/volunteers.	Non-Planning			Norton Library scheduled to move to community volunteer run entity by April 2017. Malton Library will remain as a NYCC run entity for the foreseeable future.

Key Issues	Details	Planning/Non-Planning	Plan Response	Evidence	Comments
Tourist Information	Manned office to deal with enquiries, provide advice and promote the area. Leaflets and assistance with finding local accommodation. Out of office facility to access information through external interactive screens. Maps of the town available from local businesses.	Non-Planning			Could be a counter in another facility. If new museum that would be ideal location or Milton Rooms or Saville Street Community Hub in future.
